Set within walking distance of Aberdeen's vibrant City Centre, our recently refurbished 4-star youth hostel provides a great base for exploring the countryside, castles on nearby Royal Deeside and the city's many attractions. A fantastic range of restaurants, nightlife and shopping along with cinema, concerts and arts are all close by. It's perfect for stop-overs to Orkney and Shetland too.

Aberdeen Youth Hostel offers meeting facilities for up to 50. Flexible catering packages are on offer, ranging from tea and coffee to buffets. Please ask at time of booking for prices and packages available.

We can also offer participants budget overnight accommodation if required – ask for group rates at time of booking. Facilities in the youth hostel include two en-suite rooms, two lounges, and continental breakfast for both individual guests and groups. Self-catering facilities are also available.

**Charity use of meeting rooms venues:** The hire of our meeting rooms tends to be less expensive than those of hotels or conference centres, therefore they are ideal for other charities and small organisations with limited budgets.
