Just a short walk from the City Centre, Inverness Youth Hostel is a great base to explore both city-based attractions and the surrounding area. Visit historic sites such as Culloden Moor and Fort George, enjoy dolphin spotting trips, mountain biking and kayaking.

The hostel offers conferencing facilities for up to 30 people and a dining room which can seat 65 for dinner. Flexible catering packages are available for meetings, from tea and coffee to soup and sandwich buffets. Please ask at time of booking for prices and packages available.

We can also offer budget overnight accommodation if required – ask for group rates at time of booking. Facilities in the youth hostel include en-suite rooms, TV room, Wi-Fi, continental or cooked breakfast for individual guests and groups. Self-catering and laundry facilities are also available.

Charity use of meeting rooms venues: The hire of our meeting rooms tends to be less expensive than those of hotels or conference centres, therefore they are ideal for other charities and small organisations with limited budgets.
